	Formulation of Cosmetic & Chemical Products	100	145	70%	136	Scientific: medical field, General Health Education.

Note: The Jordanian General Secondary Education (GSE) certificate in vocational streams (industrial, hotel, home economics, and agricultural) is accepted for previous years without additional admission requirements provided that a document from the Ministry of Education is presented, proving that in the year the student fulfilled his/her GSE requirements, he/she was not required to study two additional subjects.

Admission Requirements (Undergraduate Programme)

General Secondary Education:

- General Secondary Education certificate (Tawjihi) or its equivalent.
- Adhere to the minimum average requirements as follows:

The minimum admission average for Jordanian students is (60%), except for the Law programme (65%) and all engineering and pharmacy programmes (80%). Students should have a minimum score of (50%) in all subjects.

- Non-Jordanian students may be admitted with a maximum of 15 marks below the allowed average for Jordanians, provided that they adhere to the GSE streams required for joining each programme and have a minimum average of (50%).
- Jordanian students holding other nationalities may not be exempted from meeting the average requirement for joining any of the University's programmes.
- International students holding a Jordanian nationality may not be exempted from meeting the average requirement for joining any of the University's programmes.

Bridging:

- Students holding a Jordanian Community College Diploma (two and three years format) with a minimum average of (70%) and who have passed the Comprehensive Exam with a minimum average of (68%), except for pharmacy and engineering programmes (70%), are accepted in equivalent programmes as outlined by Al-Balqa' Applied University.
- Bridging for the Pharmacy programme is limited to holders of the GSE scientific stream certificate or its equivalent.
- For bridging purposes, special needs students whose names are listed by the Supreme Council for the Disabled and who have passed the Comprehensive Exam (two and three years format) with a minimum average of (65%) may be accepted through the Unified Admission Committee at the Ministry of Higher Education and Scientific Research in programmes equivalent to their university majors.
- Students holding a Jordanian Community College Diploma (three and four years format) who did not sit for the Comprehensive Exam may be admitted, provided that they sit for the Qualifying Exam held by Al Balqa' University and pass with a minimum score of (68%) for all programmes, except for pharmacy and engineering programmes (70%).
- Non-Jordanian students holding an associate degree from abroad may be admitted to equivalent programmes outlined in the lists issued for this purpose.
- The University transfers the credit hours the student has completed in his/her associate degree, whether studied in Jordan or abroad, provided that they do not exceed (50%) of the study programme credit hours (two and three years format), except for the Pharmacy programme where the percentage would be (25%) of the approved study plan.

Transfer students:

- Transfer students may be admitted, provided that they pursue their studies on full-time basis. A maximum of (50%) of their study plan credit hours will be transferred into their study programme.

Required Documents:

- General Secondary Education certificate's (Tawjihi) original transcript or a certified copy.
- Students with foreign certificates should obtain their equivalence from the Jordanian Ministry of Education.
- Photocopy of your passport for non-Jordanians, and the identity card for Jordanians.
- Photocopy of birth certificate.
- Military service booklet for male Jordanians or an exemption certificate.
- Two recent personal photographs.
- If existing, a certified copy of the Community College Diploma and a certified transcript from the Ministry of Higher Education and Scientific Research.
- Certified transcript from the Ministry of Higher Education and Scientific Research and course description for transfer students.
- Certificate of non-issuance of disciplinary action for transfer students.

Non-Jordanian Universities and Associate Degrees:

- Certifying degrees/transcripts at the Embassy of Jordan and Ministry of Foreign Affairs at their home countries before travelling to Amman.
- Certifying degrees/transcripts in Jordan at the Ministry of Foreign Affairs and Ministry of Higher Education and Scientific Research.

The Higher Diploma in Education Programme

The Higher Diploma in Education was established at Middle East University in dedication to the University's vision, mission and objective to advance all stages of the educational process, and in an effort to uphold our social responsibility. We highly value teachers' role in shaping our future, thus we aim to prepare educational leaders who are bound to adequately serve their respective sectors, accelerate human development endeavours, and assume an active role in intellectual and professional advancement. The programme's set objectives are aligned with the requirements of local and international labour markets; and designed to fulfill the demand for highly-qualified teachers, principals, educational supervisors, teaching methods and curricula specialists, educational consultants, and other competencies needed in the field.

Features of (Higher Diploma in Education Programme) :

- Applying students should have fulfilled their Bachelor's degree requirements on a full-time basis, regardless of their GPA.
- If a student's Bachelor's major was unrelated to the field of education, they will be required to study a maximum of 9 credit hours of remedial courses.
- Students who obtain their Higher Diploma with a minimum rating of «very good» are eligible, regardless of their Bachelor's rating. In this case, a maximum of 12 credit hours will be transferred into their chosen study programme.
- The Higher Diploma programme consists of 27 credits hours.

Admission Requirements (Higher Diploma in Education Programme) :

- Applying students should have pursued their Bachelor's degree on a full-time basis at an accredited university.

Educational Sciences	Curriculum and Teaching Methods	120	170
	Educational Administration and Leadership		
	Information Communication Technology in Education		
Media	Media	180	255

• Students are required to pass 33 credit hours for all majors.

Tuition fees and other insurances for postgraduate studies

Information Table	Regular Semester Fees		Summer Semester Fees	
	JD	US\$	JD	US\$
Enrollment Application Fees (paid once)	100	145	100	145
Refundable Fees (paid once)	75	110	75	110
Transportation Fees (optional)	Free			
ID Card (paid once)	Free			
Registration and Services Fees (per semester)	400	565	400	565
Electronic Services Fees (per Semester)	50	70	50	70
Health Insurance Fees (optional)	60	85	35	50
Service fees for non-Jordanians (per Semester)	30	45	30	45

The postgraduate programme consists of:

- 1- Comprehensive Track:** in which students must pass (33) credit hours divided into (24) compulsory credit hours and (9) elective credit hours, and then sit for a comprehensive exam for all subjects.
- 2- Thesis Track:** in which students must pass (33) credit hours; (9) thesis credit hours, (15 - 18) compulsory credit hours, and (6 - 9) elective credit hours.

Admission Requirements:

- Applying students are expected to have a minimum of 'good' rating or its equivalent in their undergraduate studies.
- Students should have been full-time students during their undergraduate studies at a recognised university.
- Sit for an English Skills Exam in accordance with the applied regulations of the Jordanian Ministry of Higher Education and Scientific Research, as follows:

Exam Requirements for the Postgraduate Programme				
Test \ Programme	Scientific	Humanities and Managerial	English Language	MBA
English Equivalency Test	65	50	75	65
IELTS	5.5	5	6.5	5.5
TOEFL (iBT)	69	59	90	69

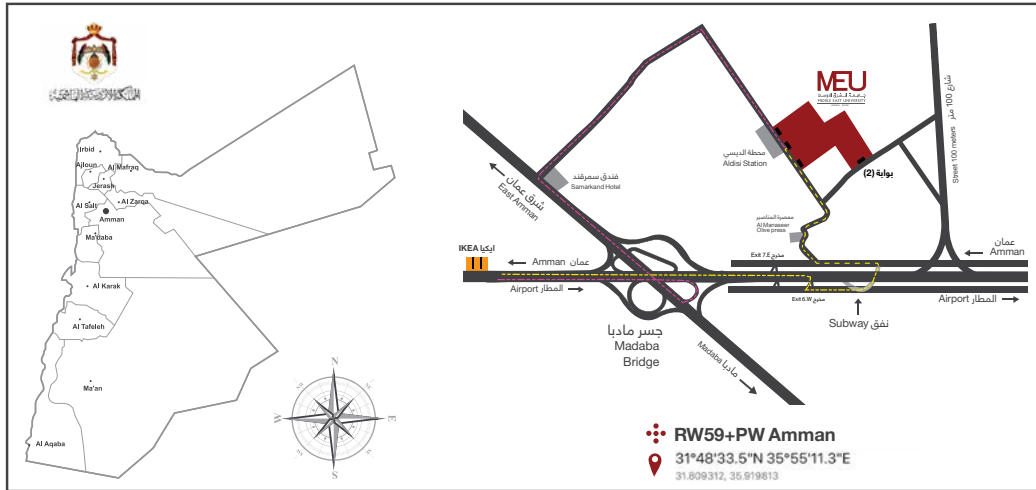

- In case of failing the English Language Skills test, a student will be required to study a remedial course of (6) credit hours in the first semester of enrollment. The student must pass the remedial course according to the minimum admission requirement, or his/her registration will be forfeited.
- Students who obtained their Bachelor's by affiliation and a Higher Diploma by a full-time study are exempted from the Qualifying Programme (30 hours), provided that the Higher Diploma's major matches the Bachelor's. If the Higher Diploma's accredited hours were less than (30) hours, the student will be required to complete (30) accredited hours as assigned by the chosen department.
- Accredited organisations for language tests are AMIDEAST and ETS in Jordan (for TOEFL), British Council in Jordan (for IELTS), and the National English Equivalency Test from language centers at Jordanian public universities.
- If applicants' Bachelor's majors were different from their Master's chosen majors, they may be recommended to study remedial courses (no more than (9) credit hours set by the Faculty's Dean) during their first year of study.
- Students with a rating of "fair" may be admitted under the above mentioned conditions, provided that they study three courses determined by the faculty, and successfully complete them in the first semester of enrollment with a minimum average of (70%) or its equivalent in each course and a minimum GPA of (75%) or its equivalent. Students who do not fulfill these conditions forfeit their registration.
- Students holding a High Diploma degree with a minimum rating of 'very good' may be accepted in the Master's programme regardless of their Bachelor's GPA.
- Students holding a Vocational or Technical Diploma (since they are not higher diplomas) are not allowed to apply for postgraduate programmes.

Required Documents:

- Certified copy of General Secondary Education certificate (Tawjihi).
- Photocopy of birth certificate.
- Accredited English language test.
- Certified Bachelor's degree and transcript from the Ministry of Higher Education and Scientific Research.
- Jordanian students who have graduated from foreign universities are required to provide an equivalence of their certificates from the Ministry of Higher Education and Scientific Research, and non-Jordanian students are required to submit a recognition and accreditation certificate from their countries.
- Photocopy of passport for non-Jordanians, and civil identity card for Jordanians.
- Two recent personal photographs.

Our Location

Middle East University (MEU) is located 14 km away from the city of Amman, at the center of Queen Alia International Airport Road. The University is close to the various services students may need, in addition to available transportation from and to most parts of the Kingdom.

Why MEU?

- Local and international accreditations.
- Modern and applied majors aligning with the requirements of local and international labour markets.
- Highly qualified faculty.
- Obtained the Quality Assurance Certificate (Golden Standard).
- Obtained a five-star rating in the following categories:
 - Quality of Education and Academic Reputation
 - Community Service and Social Responsibility
 - University Environment
- Advanced ranking in The Times Higher Education World University Rankings.
- Acquired the ISO 9001:2015.
- State-of-the-art laboratories.
- Facilities that allow for developing student skills.
- 80% employability in local and international labour markets.
- We provide free training courses at our Career Guidance and Alumni Office to qualify students for local and international labour markets.
- Member of the Federation of Arab Engineers.
- The first Jordanian university to host undergraduate and postgraduate programmes from prestigious British universities.
- The first university in Jordan and the Middle East to launch a joint (MPharm 3+2) programme with the University of Strathclyde.
- We foster student entrepreneurial projects at our Innovation and Entrepreneurship Centre.
- We provide safe and comfortable transportation services covering most of Jordan.
- We are a green, environment-friendly university.
- We offer all-inclusive healthcare services and a first-class insurance plan for students.
- We provide student dormitory.
- All international students' affairs are managed by a dedicated centre.
- Learn Chinese at the Chinese Language Centre.
- An electronic library at your service, holding more than 2 million references.
- A culturally-diverse environment, consisting of 28 Arab and international nationalities.
- We offer athletic and arts scholarships, and scholarships dedicated to outstanding students and siblings.
- Students have the opportunity to work at the University while studying by joining the Employment and Training Programme.
- The University's study programmes allow for student exchange with European universities.
- We boast an Innovation and Entrepreneurship Centre that fosters students' innovative ideas and turns them into successful projects.
- Students have a gymnasium and sports rooms at their disposal, free of charge.
- A diverse university library, equipped with advanced online databases.

- Jordanian Ministry of Higher Education and Scientific Research.
- Accreditation and Quality Assurance Commission for Higher Education Institutions.
- Association of Arab Universities (AARU).
- International Association of Universities (IAU).
- Association of Arab and European Universities (AEUA).
- Federation of the Universities of the Islamic World (FUIW).
- United Nations World Tourism Organization (UNWTO).
- Arab Universities Governance Council.
- Magna-Carta Document for Learning and Researching Freedom - Bologna.
- Arab Organization for Quality Assurance in Education (AROQA).
- Federation of Arab Engineers.

Academic Partnerships

We hold many local, Arab, and international partnerships. Our campus is also host to programmes offered by the University of Bedfordshire, and we boast a joint programme with the University of Strathclyde.

Our Centers

- Yacoub Nasereddin Heritage Revival Center
- Students' Recruitment Center
- Language and Translation Center.
- Counseling and Psychological Services Center
- Consulting and Training Center
- Innovation and Entrepreneurship Center.
- Academic and Administrative Development Center
- Media Training and Development Center
- Human Rights Center
- Chinese Language Learning Center
- Middle East Travel and Tourism Development Network Center
- Community Interaction Center

University Of Bedfordshire is the first British University in Jordan with a heritage of more than 100 years in the UK. We are offering international programmes at all academic levels (undergraduate and postgraduate), in the fields of Business Administration (Accounting, Finance and Banking, Marketing, and International Business Administration), Information Technology (Computer Security & Forensics, and Cyber Security), Media (Multimedia, Media and Public Relations), and Graphic Design.

All certificates are issued from University of Bedfordshire in the UK, approved by the Jordanian Ministry of Higher Education, and the Jordanian Higher Education Accreditation Commission and Scientific Research, and stamped by the British Council in Jordan.

More Than
Just a Degree

Why Bedfordshire?

1st First British University in Jordan offering undergraduate and postgraduate courses with full accreditation from the ministry of higher education and scientific research in Jordan

British Degree
All degrees are globally recognized and approved by the British and Jordanian ministries of higher education.

British flying faculty
The academic staff will fly from London to lecture in Amman.

We have been ranked as 2nd most affordable UK University for international students, studying at Undergraduate level, and the 3rd at the postgraduate level.

English placement tests
take an alternative language exam at our campus.

Study over the weekends
Our postgraduate students can easily work and study.

Block Delivery (Postgraduate Level)
There are 6 intakes around the year. Miss a start date and you simply start with next intake instead, which is just 8 weeks later.

Short study period
Only one year of study for the Master's and three years for the Bachelor's and PhD. Programmes.

Joint Pharmacy Degree (MPharm) 3+2

About the University of Strathclyde

The University of Strathclyde was founded in 1796, making it one of the oldest higher education institutions in Glasgow. The university offers a range of courses, but has a focus on technological and scientific studies. Research is also a chief interest of Strathclyde's, with key focus on health, manufacturing and energy, among others. The University of Strathclyde has a wide variety of partnerships with businesses as well as other higher education institutions, both inside and outside of the UK.

Why our Pharmacy Programme?

- ✓ Ranked number 1 in the UK in the Complete University Guide 2019.
- ✓ The programme is locally approved by the Jordanian Ministry of Higher Education and Scientific Research, and Accreditation and Quality Assurance Commission for Higher Education Institutions.
- ✓ A fully integrated pharmacy programme that connects theoretical sciences with continuous workshops.
- ✓ Combine fundamental sciences with the practical experience of working with patients and health professionals in the community and hospital placements from the outset.
- ✓ Benefit from our strong links with the pharmaceutical industry.
- ✓ Learn from professional pharmacy practitioners.
- ✓ The state-of-the-art medical labs and e-learning tools.

No. 1 in the UK for Pharmacology and Pharmacy in the Complete / University Guide League Tables 2019

About the Master of Pharmacy Programme (MPharm)

Pharmacists are experts in medicine who work alongside doctors, nurses and dentists as part of healthcare teams.

As a pharmacy graduate, you'll need to understand the science behind drug discovery, development and delivery along with how patients react to the medicines they take. You'll also have to understand individual patient care and public health issues to deliver the best health and pharmaceutical care. Our pharmacy degree combines science and pharmacy from the start. Our aim is to provide you with the skills and knowledge to be a medicines expert to choose from the full range of pharmacy careers.

The programme is jointly delivered by the Faculty of Pharmacy at MEU in Amman, Jordan and the Strathclyde Institute of Pharmacy and Biomedical Sciences in Glasgow, Scotland. Both institutions have strong links with the community, hospitals and sectors of the pharmaceutical industry. The MPharm degree is an integrated, full-time, five-year undergraduate programme.

Suitably qualified students will be admitted directly into year one of the programme, where they will spend their first three years at the Faculty of Pharmacy at MEU and continue years four and five at SIPBS in Glasgow, Scotland.

Work Placements

Students enrolled at the joint MPharm programme will undertake community and hospital placements with optional summer research projects both in Jordan and the UK.

Accreditation

The programme is approved by the Jordanian Ministry of Higher Education and Scientific Research, according to decision no 24/2018.

The programme is accredited by the Jordanian Accreditation and Quality Assurance Commission for Higher Education Institutions, according to decision no 15/2019.

Admission Requirements

- General Secondary Education certificate (Tawjihi) or its equivalent with a minimum average of 80%.

- Non-Jordanian students may be admitted with a maximum of marks less than the allowed average for Jordanians provided that they adhere to the scientific stream of (GSE).

Admission Requirements

- General Secondary Education certificate's (Tawjihi) original transcript or a certified copy.
- Photocopy of your passport for non-Jordanians, and the identity card for Jordanians.
- Photocopy of birth certificate.
- Military service booklet for male Jordanians or an exemption certificate.
- Two recent personal photographs.

- * Students with foreign certificates should obtain their equivalence from the Jordanian Ministry of Education.

Certifying Non-Jordanian Certificates:

- Certifying documents at the Embassy of Jordan and Ministry of Foreign Affairs at their home countries before travelling to Amman.
- Certifying documents in Jordan at the Ministry of Foreign Affairs and the Ministry of Education.

Duration of Study

Five years:

Three years in Middle East University - Jordan.
+
Two years in University of Strathclyde - UK.

Fees

- Year 1: 6,000 JD
- Year 2: 10,000 JD
- Year 3: 10,000 JD
- Year 4: 16,750 £
- Year 5: 16,750 £
